

**Defensa Animal de Rincon, DAR, is a non-profit animal rescue organization based in Rincon, helping people rescue animals anywhere in Puerto Rico. DAR relies solely on donations to fund our Animal Rescue Programs. Read more about what we do below and at [DARRincon.org/About](http://DARRincon.org/About). One of our many fund raising activities is Deposit For Dogs.**

## **Deposits for Dogs**

Your vacation rental is participating in the DAR Deposits for Dogs Program. Please consider donating some or all of your security deposit to help abandoned dogs, cats and horses in Puerto Rico. Simply let your property manager/owner know what amount you would like to donate. DAR will send you an independent acknowledgment of your donation.

## **FAQ**

**Does DAR have an office or shelter?** - No, we offer help to rescuers and adopters via email, internet and social media in the form of vet services, travel assistance and/or exposure for adoption of animals. The rescuer is always responsible for and keeps the animal while we market the animal for adoption on Facebook, Allpaws, Overstock, AdoptAPet, Petfinder, the El Coqui and [DARRincon.org/Adopt](http://DARRincon.org/Adopt) sites. Rescued animals are FREE to GREAT homes and that can include their travel costs to anywhere in the US or Canada.

**How else can I help?** - Financial donations, temporary and forever homes are always our greatest needs. But sharing our work and adoptable animals is hugely important too. With the internet and social media you can help change the life of a rescued animal! Find more ways to help on our website at [DARRincon.org/Volunteer](http://DARRincon.org/Volunteer).

**If I see an animal in need what can I do?** - We have information on our website at [DARRincon.org/Rescue](http://DARRincon.org/Rescue) that explains how you can help animals in need.
